

Museums and Collections (MaC) 2022-23 Project Grant Guidelines

Among the key aims of The History Trust of South Australia is to keep building the evidence of our state's rich and fascinating past and to make it accessible to all. We offer two annual grant programs that progressively add to South Australia's history and bring it to life. Museums and Collections (MaC) grants support the development, preservation and sharing of community-held historical collections, promote best practices, and raise the profile, impact and reach of South Australian history and community history organisations. We welcome and appreciate your interest in helping to make that happen.

Our guiding principles

MaC Project Grants

Museums and Collections (MaC) grants support your organisation to be an active, valued part of the Statewide History Network.

The annual grant pool is around \$250,000.

Eligibility

MaC grants are available only to organisations who are members of the Museums and Collections (MaC) development and funding program. MaC membership is open to a wide range of community organisations and membership can be applied for at any time.

What can be funded

A wide range of projects that help your organisation care for, document, present and share collections and local history can be funded.

Individual grants can be up to \$20,000. Major projects that demonstrate more innovative

approaches to making collections and history accessible or that will have significant impact and reach for SA history beyond your organisation's region are suited to a higher level of funding. More foundational projects (such as collection management projects) will usually attract a lower level of funding. Project possibilities include:

- Projects that make connections with your communities and/or invite people to view historical events from different perspectives
- Innovative digital or physical history projects and exhibitions
- Collections or community development projects and programs that engage new audiences and/or engage existing audiences in new ways
- Projects that make connections with schools including education resources and programs
- Physical and digital publication projects that make history and collections accessible to local and global audiences
- Collection documentation/cataloguing,

How to apply

Applications open Friday 9 September and close on Sunday 23 October 2022. There will also be a supplementary round in February/March 2023. All applications are submitted through the SmartyGrants management system:

<https://history.smartygrants.com.au/MaCprojectsRound6>

Assessment process

Applications are assessed by an external peer panel appointed each year by The History Trust of South Australia.

Each applicant will be notified of the outcome of their submission in December 2022.

Assessment considerations and criteria

Projects need to:

- **Contribute to the development of rich and diverse South Australian history experiences for identified audiences**
- **Be significant and relevant to preservation, care, interpretation, accessibility of or engagement with South Australian history**
- **Lead to outcomes that will have lasting impact and value for South Australian history**
- **Demonstrate understanding, and intended application, of good practice standards in caring for collections or engaging audiences**
- **Be well-planned and accurately costed**

Please keep these criteria firmly in mind when preparing your application and if you have any questions about them or how they relate to your intended project [get in touch](#). Amanda and Teri are very happy to help you.
